

BEWEGUNG IST
UNSER ELEMENT.

DYNAMIK MADE IN GERMANY.

200 years of cycling and development does not stop. Innovation joins innovation. The bicycle is an integral part of the mobility of our future. We are part of it. Derby Cycle is one of Europe`s largest bicycle manufactures and a leading manufacturer of e-bikes in Germany. Made in Germany means high quality and sustainable business. That`s what Derby Cycle stands for, as the highest-turnover bicycle producer in Germany and that`s your chance!

Movement is our element. Being active, getting better and better, tackling and solving problems is our claim and that of our employees – now more than 900. We are always looking for motivated employees. We work internationally and offer tasks in many different professions.

For you this offers the opportunity for exciting and varied activities. Develop yourself together with us!
